

**THE HENRY C. LEE**
— INSTITUTE OF —
FORENSIC SCIENCE
AT THE UNIVERSITY OF NEW HAVEN

July 1, 2025

Dear Friends,

Please accept my warmest greetings as you gather for the 15th New England International Chinese Martial Arts Championships.

This prestigious event, hosted by Master Malee Khaw and Malee's School of Tai Chi & Kung Fu and sanctioned by the USA Wushu-Kungfu Federation, features elite-level competitions such as the USAWKF CT Kung Fu Team Trials, the Wushu-Kungfu Grand Champion Cup, and the USA Tai Chi Grand Champion Cup. These exciting events will take place on Saturday, November 8, 2025, in Manchester, Connecticut.

Since 1999, this organization has organized many international wushu championships and made innumerable contributions to the advancement of Chinese martial arts, sports, fitness, self-defense, and culture. We all owe Master Khaw and the Championships Organizing Committee a debt of gratitude.

On behalf of the University of New Haven and the Forensic Research and Training Center, I would like to congratulate Master Khaw, the Organizing Committee, the visiting masters, and all the judges for their accomplishments and contributions to this exciting weekend. I also wish to commend the Organizing Committee, staff, and volunteers for their tireless efforts in bringing these great events to Connecticut, as well as the participants, guests, and friends for promoting and participating in these championships.

My best wishes for a wonderful and successful event.

Best Regards,

Dr. Henry Lee
